

Did you know you have 20 baby teeth when you are a kid? Those are a lot of chances for the Tooth Fairy to visit!

## Let's meet your baby teeth!

Front and Center!

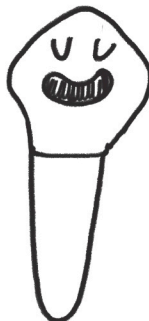

1. Central Incisor

Hello neighbor!

2. Lateral Incisor

My nickname is "Fang"

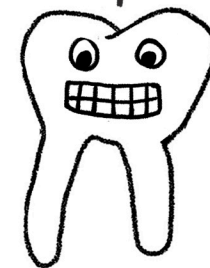

3. Bicuspid

I love to chew!

4. First Primary Molar

CHOMP!

5. Secondary Primary Molar

Keep us clean... We won't last forever!
